THE MACKE STORY

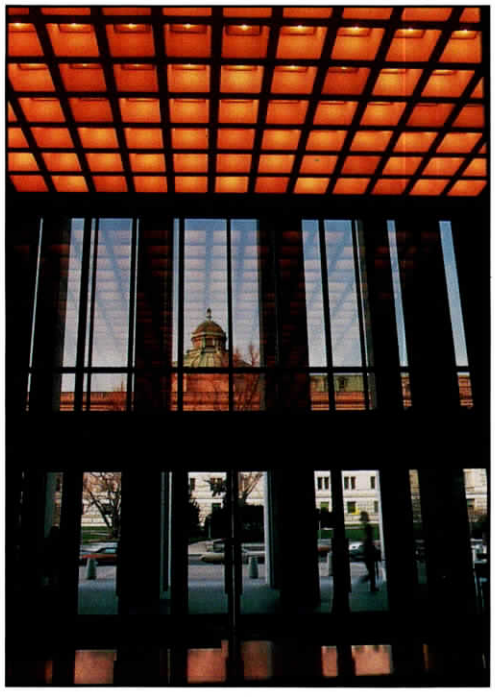
The Macke Company, a wholly-owned subsidiary of The Allegheny Beverage Corporation, is comprised of four divisions: Food & Vending Services, Building Services, Laundry Services and Desks and Furnishings, Inc. Macke's services, represented nationwide, are continually growing in geography, profitability and market share. This tremendous growth is a direct result of aggressive cost control systems, sales activity and acquisition programs. The Allegheny Beverage Corporation, with revenues in excess of $500 million, is extremely confident in obtaining its present objective of $1 billion in revenues within the next few years.

BUILDING SERVICES

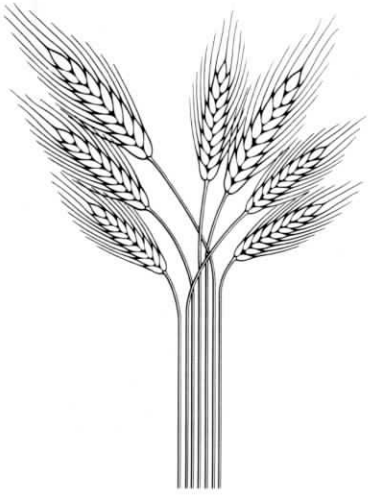


The pride of any establishment is often viewed by the appearance of its premises. Macke Building Services maintains that pride by providing expert janitorial services. Macke services commercial, industrial and institutional clients whose objectives include general cleaning, floor waxing, window cleaning, carpet shampooing and numerous other services. Employees undergo intensive training to insure current knowledge of equipment usage and cleaning techniques. While on the job, supervisors are constantly making sure the client's every specification is met.

Macke Food & Vending Services, whose operations service the majority of states in the country, attributes a great deal of its success to the ability of catering to the individual requirements of each and every client.

FOOD &VENDING SERVICES

Through Macke's flexibility and diversification, each client has the choice of a broad variety of food and service styles from which to select. Office coffee service, a single vending machine, full service cafeteria, college food service, or the finest executive dining — Macke's creative food service specialists will develop a tailor-made program especially for you.



LAUNDRY SERVICES

As a leader in the coin-operated laundry industry, Macke Laundry Services offers the elements for a successful coin-operated laundry facility. Macke's primary objective is to satisfy owners and managers while giving residents ample reason to return repeatedly.

Macke Laundry Services owns and operates in excess of 160,000 washers and dryers located in multi-family dwellings, condominiums, colleges and universities, marinas, housing for the elderly and handicapped, mobile home parks, hotels and motels. A complete laundry program is developed and designed to meet each customer's specifications.

We continue to take great strides in the laundry industry by offering our customers a national office network (coast-to-coast), radio dispatched technicians and security systems insuring proper counts and commissions. All these qualities, along with the finest in energy-efficient, dependable equipment, have made Macke Laundry Services a favorite of both management and residents for years.

THE D&F ONE-YEAR WARRANTY

D&F Furniture is constructed as beautifully as it looks. But if it should require a repair or replacement, you're covered against defects in material or workmanship.

After inspection, D&F will repair or replace the defective merchandise without charge. To obtain warranty service, please provide D&F with proof of date of purchase and a description of the defect.

The warranty is applicable only to new merchandise and does not apply to used, factory seconds or close-out merchandise. This warranty does not cover damage caused by misuse, normal wear, or repairs which have been attempted by others. Repair or replacement under this warranty is the sole remedy of the customer. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

IMPORTANT NOTE: Due to the unpredictable price increases which have been and are continuing to occur in the office furniture industry, over which we unfortunately have no control, we will make every attempt to honor the prices indicated in this catalog; but we reserve the right to increase prices on any item herein, without notice or publication.
